

EQUILIBRISTA

ITALIAN RESTAURANT & WINE BAR

Very high-quality Italian food, exclusive products sourced directly from our own network in Italy, top-quality wine offer with original and rare proposals from prestigious Italian wineries. We know personally the winemakers and bring you their products straight from their cellars to your table.

Beautiful premises. Pleasant atmosphere with classy yet relaxed, homey feel.

We have lived for 20 years in one of Italy's most beautiful areas, the Cinque Terre in Liguria. Those wonderful years gave us a unique opportunity to gain an in-depth knowledge of true Italian gastronomy and culture.

We now would love to share this experience with our guests.
